Ithaca, NY

Expected May 2028

Relevant Coursework: Data Science, Human-Computer Interaction, Statistics, Product Management

PROFESSIONAL EXPERIENCE

Accenture

Learning to Earning (L2E) Summer Analyst

Washington, DC

Jun 2026 - Aug 2026

- Supported a strategy refresh and operating-model redesign for a **\$1.4B global nonprofit**, synthesizing findings from 55+ stakeholder interviews and 125+ hours of discussions.
- Designed future-state organizational structures, governance charters, and decision rights affecting **1,400+ employees** across nine executive functions.
- Benchmarked nonprofit and corporate operating models to inform CEO- and executive-level recommendations.
- Built executive presentations and financial analyses supporting growth opportunities projected at **\$72M over five years**.

DC Public Schools (DCPS)

Education Data & Innovation Intern

Washington, DC

May 2025 - Aug 2025

- Analyzed **30,000+ student survey responses** using Python and Excel to identify school-, ward-, and demographic-level belonging and equity trends.
- Built Tableau dashboards translating findings into stakeholder-ready insight supporting DCPS's Culture Institute and shared-leadership work.

Pepco (Exelon)

Transmission & Substations Intern

Washington, DC

Jun 2024 - Aug 2024

- Analyzed substation and transmission project data across Pepco's DC and Maryland service territory to support infrastructure and capital planning.
- Standardized project documentation and coordinated updates across engineering teams to improve tracking accuracy.

LEADERSHIP & ACTIVITIES

Professional Development Chair, Men of Color in Athletics (MOCA), Cornell

Sep 2024 - Present

- Lead professional development for **150+ student-athletes**; helped drive ~**\$13,000** in Giving Day gifts.

EY

Beyond the Game Fellow

Dallas, TX / Virtual

Jun 2026 - Aug 2026

- Selected for EY's competitive **12-week** Beyond the Game fellowship for student-athletes in consulting, communication, and career strategy.
- Completed an in-person leadership summit in Dallas and received one-on-one mentorship from an EY Business Consulting manager.

Co-Vice President, Cornell Track & Field Spiked Shoe Society

May 2026 - Present

- Support executive board operations, event planning, and alumni engagement for CUTF Track & XC.

Advisory Committee Member, DC Education Research Collaborative

Jun 2025 - Present

- Bring a student-centered equity lens to DC education research and policy recommendations.

SELECTED PROJECTS

DC Arrest Trends: Data to Policy Narrative *Python · Trend & Diff-in-Diff Analysis*

- Contributed analytical framing to a team study of **100,000+ arrest records** across NYC, DC, and LA; found disparities did not shrink as totals fell.

Smart Hive Monitoring System *IoT · Data Pipelines*

- Supported IoT hive-monitoring deployment for Capitol Bee Care across **5+ sites**; reporting cited ~98% uptime, ~80% fewer inspections.
