EDUCATION

Cornell University, Ithaca, NY — Expected May 2028
B.A., Information Science and Sociology | **GPA: 3.92/4.00**
Relevant Coursework: Introduction to Public Policy; Statistics for Sociological Research (in progress)

EXPERIENCE

Accenture, Washington, DC — Jun 2026 - Aug 2026
Learning to Earning Summer Analyst, Strategy and Governance
- Synthesized 40+ leadership interviews into governance requirements and pain points for a global nonprofit client.
- Mapped decision forums, decision rights, and escalation paths for the client's future operating model.
- Drafted executive summaries and role profiles; contributed 15+ slides for client leadership meetings.
- Wrote substantial portions of one workstream's final executive profile and governance recommendation.

DC Public Schools Central Office, Washington, DC — May 2025 - Aug 2025
Education Data and Innovation Intern
- Introduced Chancellor Lewis Ferebee to a citywide audience; spoke with district leaders about student supports.
- Collaborated on survey design, distribution, and analysis for a district initiative with approximately 52,000 participants.
- Contributed to design and logistics for the Culture Institute, a district convening on school climate.

Pepco (Exelon), Washington, DC — Jun 2024 - Aug 2024
Transmission and Substations Intern
- Analyzed transmission and substation project data to support infrastructure and capital planning across DC and Maryland.

SELECTED PROJECTS

deonfitness.com | *Client website* | *React, Supabase, Stripe Checkout* — 2026
- Delivered a client website with member login and online checkout for four coaching plans; payments tested in sandbox.

Rockport Advisers: AI Workflow Proposal | *Proposed design, not deployed* — 2026
- Designed 5 recurring workflows, 4 reusable diagnostic skills, and a 5-day rollout plan for lead research and outreach.

LEADERSHIP AND ATHLETICS

Teaching Assistant, Sustainability in Athletics (ENVS 2002), Cornell — 2026 - Present
- Coordinate speaker outreach and scheduling; confirmed 11 sessions, including a Philadelphia Eagles sustainability leader.
- Maintain a shared outreach tracker for contacts, confirmations, and available dates.

Vice President (previously Professional Development Chair), Men of Color in Athletics, Cornell — Sep 2024 - Present
- Connect student-athletes with alumni and career resources through programming such as the MOCA LinkedIn Lab.

Ambassador, Black Student Empowerment, Cornell — Nov 2024 - Present
- Help run Polished for Success, a personal branding and networking workshop with free professional headshots.

Client Representative, Cyber AI Program (Accenture, On-Ramps to Careers, Capital One) — Summer 2026
- Represented the client for a 44-student high school consulting program, testing teams' assumptions and requirements.

Founder and Coach, McKinley Technology High School Debate Team, Washington, DC — Sep 2022 - Jun 2024
- Founded the school's first debate team and coached it myself; profiled in The Washington Post (Feb 2024).

Co-Vice President, Cornell Track and Field Spiked Shoe Society — May 2026 - Present
- Support the executive board with meeting minutes, attendance, event planning, and team communication.

Freshmen Send-Off Committee Volunteer, Cornell Club of Washington — 2026
- Helped welcome incoming Washington-area students; featured by the club as a "skilled bridge builder."

Sprinter, NCAA Division I Track and Field, Cornell — Aug 2024 - Present
- Nike Indoor Nationals 200m All-American; three-time Washington Post First Team All-Met.
- Built a class-experience workbook and academic/career directory to help teammates select courses and find mentors.
